SUMMARY

Informatics Engineering graduate with a GPA of 3.64/4.00 with an academic focus on Artificial Intelligence (AI), Machine Learning (ML), and text classification research. Possesses hands-on experience in machine learning analysis, administration, organizational activities, financial management, and data collection. Able to work independently and in a team with discipline and responsibility. Seeking impactful opportunities to contribute and grow within administrative, operational, and project-based roles.

EXPERIENCE

Person in Charge (PIC) – Village Resident Data Entry | Community Service Program (KKN)
Jul 2025 – Aug 2025

- Collected and entered village resident information into the village Population Data Information System (SIDAK) website.
- Checked data completeness and accuracy to support reliable digital records.

Student Research Assistant | Business Incubator Laboratory, Informatics Engineering
Feb 2025 – Apr 2025

- Supported research involving machine learning and deep learning methods for data processing.
- Assisted with data collection, analysis, and interpretation within the research scope.
- Contributed to preparing and submitting scientific journal publications under faculty supervision.

EDUCATION

Bachelor of Engineering in Informatics Engineering | State Islamic University of Sultan Syarif Kasim Riau
Jul 2022 – Jun 2026 | GPA: 3.64/4.00

- Awardee, Riau Provincial Government Achievement Scholarship (2022–2026).

Computer and Network Engineering | SMKN 2 Tambusai Utara
Jul 2018 – Jun 2021 | Final Score: 88.43

TECHNICAL SKILLS

Networking: Networking fundamentals (MikroTik Certified Network Associate – MTCNA).
Data & Programming: Python, SQL
Machine Learning & Analysis: model development and evaluation, NLP.
Professional Skills: Attention to detail, data accuracy, communication, coordination, problem-solving, adaptability, teamwork.

CERTIFICATIONS & TRAINING

- Associate Data Scientist + Python – Nasional | Pusat Pengembangan Talenta Digital, 2026
- Data Science dan Pemanfaatannya di Berbagai Sektor | Pusat Pengembangan Literasi Digital, 2026
- MikroTik Certified Network Associate (MTCNA) | MikroTik, 2020
- Competency Certificate: Design and Build Wired and Wireless Networks Using VLAN and Routing | CV.Usaha Muda,2021
- Achievement Motivation Training (AMT) Program | Pemprov Riau, 2023
- Technology and Information Seminar: Peran Strategis Sains dan Dunia Industri di Era Kecerdasan Buatan | Faculty of Science and Technology, 2023

PUBLICATIONS

- Interpretative Comparative Analysis of LSTM and Random Forest for Multi-Label Classification of English Qur'an Translation | Science, Technology, and Communication Journal, Vol. 6, Issue 3, 2026.
- A Classification of Quran Translations Using K-Nearest Neighbors, Support Vector Machine and Random Forest Method | Science, Technology, and Communication Journal, Vol. 6, Issue 1, 2025.
- UI/UX Design Thinking Adoption for Integrated AI Point-of-Sale System (Case Study: Plastic Poultry Wholesale Store) | Science, Technology, and Communication Journal, Vol. 5, Issue 3, 2025.

ORGANIZATIONAL & ACTIVITY

Secretary, Public Relations Division | Informatics Engineering Student Association (HIMATIF), 2023

- Managed divisional administration and official correspondence; coordinated communication with internal and external parties.

Treasurer and Event Committee Member | Informatics Engineering Department Events, 2023–2025

- Managed event funds, prepared financial reports, and supported transparent budget utilization.
- Supported event operations through assigned documentation and health divisions.

LANGUAGES

Indonesian (Fluent) | English (Intermediate)
